## PROJECT PROFILE

**Year**  
2021

**Project Area**  
50 Acres

### **Oxford Properties, Seminole County, Florida**

Located near the interchange of SR 436 and Highway 17-92, the Oxford Properties is an urban infill redevelopment project with mixed-use apartments and activity centers. The project contains a unique mix of street types needed for this scale of redevelopment, from major collectors, to a commercial 'Main Street' as well as an amenitized park-like residential boulevard for residents and the general public to enjoy.
