Villatel Village, Chimney Rock, North Carolina

Located along Highway 64 and the Broad River in the Village of Chimney Rock, North Carolina, Villatel Village is a resort community nestled in the Appalachian Mountains. The property is divided into large private lots each offering a primary dwelling as well as a guest cottage. A primitive trail system and a mountain trolley amenitize the surrounding rugged wilderness for residents and guests. A large park with walking paths offers unobstructed views of the Broad River, as well as the picturesque covered bridge which connects Villatel Village to the rest of Chimney Rock.
